

Twins Contests Schedule

Saturday & Sunday

Contest judges have been keeping count of the number of twins sets participating in each contest over the last few years. The demographics have stayed consistent during these years. Due to these trends in contest participation by twins during previous years (some contests with enormous numbers of twins, and some contests with only two sets, one set or no sets at all), age groupings in many contests, mostly after the photo break, have been changed. **Please look carefully for where YOUR age group is now found**, and plan your attendance at the contests accordingly. We will plan to shift age groupings in the future as participation shifts.

Thank you. The Twins Days Contest Committee
